WORK EXPERIENCE

01.01.2016 – now

Freelance designer / Web developer

Web design/development, brand identity, print for companies and individuals.

01.11.2010 – 30.12.2015 / Logistics center Atlas

Designer

I worked on a variety of creative and technically challenging projects—from designing brand identity and advertising materials in the first months, to web application design and development in the coming years. Visualization of logistics processes. User interface planning, implementation and iteration. Visual language of the company.

SKILLS

Photo/Video editing software

Adobe Photoshop, Illustrator, After Effects, Premiere Pro

Web development

HTML/CSS, Git and basic level of JavaScript/PHP/MySQL

Other skills

DSLR video and photography, writing
